

Issam Oueslati

Ph.D. in Supramolecular Chemistry

(Associate) Professor, of Chemistry

[Courses taught].....

issam.oeslatil@medtech.tn

EDUCATION

- | | |
|------|---|
| 2016 | Habilitation in Chemistry and Advanced Functional Materials, University of Strasbourg, France |
| 2004 | Ph.D. in Supramolecular Chemistry, University Louis Pasteur of Strasbourg, France |
| 1999 | Master in Organic Chemistry, University of Tunis El Manar, Tunisia |

RESEARCH INTERESTS

Nanostructured materials, supramolecular materials, advanced functional materials, Supramolecular Chemistry

EMPLOYMENT EXPERIENCE

ACADEMIC:

- | | |
|----------------|---|
| 2016 - Present | Associate Professor, General Chemistry, MedTech, Tunis, Tunisia |
| 2015 - 2016 | Invited Professor, Universidad Nacional del Litoral, Santa Fé, Argentina |
| 2013 - 2016 | Senior Researcher, University of Coimbra, Coimbra, Portugal |
| 2008 - 2013 | Auxiliary Investigator and Senior Scientist, University of Minho, Braga, Portugal |
| 2004 - 2008 | Independent Researcher, The Portuguese Foundation of Science and Technology, Portugal |
| 2002 - 2002 | Research Fellow, University College London, London, United Kingdom |

PROFESSIONAL:

- | | |
|-------------|--|
| 2008 - 2013 | Senior Scientist, TecMinho Incubator, Braga, Portugal |
| 2010 - 2010 | Visiting Scientist, Polish Academy of Sciences, Warsaw, Poland |
| 2006 - 2006 | Visiting Scientist, National Center for Scientific Research / CNRS, Lyon, France |
| 2003 - 2004 | Scientist, Merck Sharp & Dohme-Chibret / MSD, Blavozy, France |

CONSULTING EXPERIENCE OR PROFESSIONAL CERTIFICATION

COURSES TAUGHT

- Functional Materials, University of Monastir
- Calixarenes in Nanoscience, Universidad Nacional del Litoral
- Self -assembled Materials, University of Coimbra
- Supramolecular Chemistry and Interfaces, University of Minho
- General Chemistry, University of Tunis

●

SCIENTIFIC PRIZES AND AWARDS / GRANTS

- 2016 – EU-ERASMUS Fellow for Academic Staff Mobility
- 2015 – EU-AMIDILA Fellow for Academic Staff Mobility
- 2010 – PAN (Polish Academy of Sciences) Visiting Research Fellow
- 2004 – 2008 The Portuguese Foundation of Science and Technology (FCT) Postdoctoral Independent Fellow
- 2006 – The French National Centre for Scientific Research (CNRS) Visiting Research Fellow
- 2006 – The Spanish Ministry of Education and Science Postdoctoral Fellowship Program “Estancia de Jóvenes Doctores Extranjeros en España”
- 2002 – The British Biotechnology and Biological Sciences Research Council (BBSRC) Research Fellow
- 2001 – 2003 French Government PhD Scholar
- 2000 – Tunisian Government PhD Scholar
- 1997 – UNESCO Fellow

EDITORIAL ACTIVITY

Reviewer in an academic journal

2015	Chemical Communication (Impact Factor 6.6)
2015	Sensors & Actuators: B. Chemical (Impact Factor 4.7)
2014	CrystEngComm (Impact Factor 3.8)
2013	Polyhedron (Impact Factor 2.1)
2009	Supramolecular Chemistry (Impact Factor 1.5)

INSTITUTIONAL SERVICE

Please list and provide details on each institutional service you may have contributed to:

Installation and supervision of the research Laboratory of Supramolecular Systems

2008-2013 University of Minho

Creation of University Spin-offs in innovation and technology

2008-2013 University of Minho

Co-Supervision of two Postdoctoral researchers (University of Coimbra)

Supervision of one Engineer (Pharmaceutical Development – MSD)

Supervision of two Chemist technicians (Professional BSc – MSD)

Co-Supervision of three Master theses (MSc in chemistry – University of Coimbra)

Co-Supervision of two Bachelor projects (BSc in chemistry – University of Coimbra)

Contribution to an international academic partnership

2015 - 2016 Coordination of a European consortium of R&D centers and industries in water technologies

2016 Coordination of transnational research projects between Portugal, Algeria and Argentina

2015 Creation and establishment of partnership agreement between the University of Coimbra (Portugal) and the University of Monastir (Tunisia)

Extensive contribution to a corporate partnership

2015 Creation and establishment of partnership agreement between the University of Coimbra (Portugal) and the company VENTILAQUA (Portugal)

Head of a recruitment jury

Year Admission Exams, University, Country

Participation in a pedagogical café

Year Admission Exams, University, Country
